Additional Information

It is expected that the allocated Student Success periods will be used to provide alternative education programs in each of our secondary schools, which may be different in each school depending on their need.

As our enrolment declines and we struggle to provide a variety of courses for our graduating students, we continue to add 6 e-learning classes to the total staffing complement.

Ontario Youth Apprenticeship Program (OYAP) is a school-to-work transition program where full time grade 11 and 12 students earn Co-operative Education credits through work placements in skilled trades. These Co-op hours also may be included in their apprenticeship hours if the student pursues the trade after secondary school. To co-ordinate documentation and skilled trades competitions associated with the OYAP program, we continue to fund a 0.67 lead position.

This report is for information. The recommendation will come forward to the Regular Board meeting on May 28, 2018.
