

SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD

Report No.: 45
Date: May 17, 2021

TO: Chair and Members of the
Superior-Greenstone District School Board

FROM: Charles Bishop, Superintendent of Education

SUBJECT: Elementary Teaching Staffing and Organization for September 2021

STRATEGIC PRIORITY: Student Achievement, Well Being, Stewardship

Background

The *Proposed Elementary Teaching Staffing and Organization for September 2021* Board Report No. 36 was provided for information at the April 19, 2021, Regular Board Meeting.

Current Situation

The following tables outline the recommended elementary school staffing for the 2021-2022 school year. These allocations are based upon the most recent projections for enrollment; monitoring of enrollment will take place to ensure that staffing levels meet the cognitive, emotional and physical needs of our students while maintaining fiscal responsibility.

In consultation with Senior Administration and in the best interest of students and the system, we are recommending the following:

The 0.5 FTE Special Assignment teacher in the Other Program Staff category at Marjorie Mills Public School, which is funded by the Supporting Students Fund in the Elementary Teachers Federation of Ontario (ETFO) Central Agreement with the Ministry of Education remain in place.

The vice principals at Beardmore, Manitouwadge, and Schreiber Public Schools will have 0.5 FTE Administration duties and 0.5 FTE classroom teaching duties.
