## **12.0 Delegations and/or Presentations**

12.1 Delegation: Township of Schreiber Council Input re 2007-2008 Board Budget Process  
Board Chair Designate Mark Mannisto welcomed a delegation from the Township of Schreiber and their spokesperson, Mayor Madge Richardson. In her address, Mayor Richardson shared her council's concern about the proposed 2007-2008 Board Budget that would see a reduction in the teaching complement in the school. She provided a synopsis of what the Schreiber Council views as positive signs of an economic turnaround in the community. She requested the Board reconsider its position on reducing the Schreiber Public School teaching staff and commit to maintaining current staff levels at the school for the next two years.

12.2 Excellence in Education: Manitouwadge HS – SCWI (Dual Credit)  
Manitouwadge High School Principal Andy Graham provided a comprehensive presentation on the school's Northern Studies Program, a Dual Credit Program developed and implemented under the School/College Work Initiative. The program is tied to the Tourism and Travel Adventure and Ecotourism Program at Confederation College. Students enrolled acquire two credits in TA 104-Outdoor Pursuits. In-class study components include subjects such as stream study, fish stocking and global positioning system mapping. Students also complete the requirements for a number of certificates. Among these are: Fur Management, Basic and Wilderness First Aid, GPS Greencheck, Restricted Radio Licenses and Fire Extinguisher training. The program is unique to MNHS and addresses the needs of many students who are not in the university stream. Rather, they are interested in working in local industry where it is imperative they receive training and the skills necessary to succeed.

Mr. Graham advised that the program helps to address student success, and in particular, contributes to the retention and training for at-risk students. He commended teachers and staff including Dan Fairservice, Gord Martin, Yvonne MacNeill and Diane Aguiar for the fine work they have done to bring the course to fruition.

12.3 Update from Marissa Asperjan: Student Trustee  
Student Trustee Marissa Asperjan reported that the Young Women's Conference held in April where she was both a participant and facilitator was very successful.

She also noted that she would be assisting in orientation of the three new student trustees during a session planned in August.

## **13.0 Reports of the Director of Education**

*(Director: Lise Haman)*

13.1 Report No.: 34: 2006-2007 School Graduation Schedule  
Lise Haman noted the Graduation Schedule gives an overview of event dates and times. Trustees are encouraged to call their local schools to advise of their attendance or respond to invitations they may have already received.

13.2 Correspondence, May 3, 2007: Minister of Education K. Wynne  
Lise Haman advised that Minister Wynne had responded to the Board's correspondence of April 16, 2007 wherein it submitted Resolution No. 120/07 requesting consideration to have the province implement one publicly funded school system. The minister cited the Constitution and the British North America Act as documents that guarantee the right to a Catholic education. In summary, the minister advised that the province has no plan to adopt a single school system.

Ms. Haman noted that Ontario Public School Boards' Association (OPSBA) President Rick Johnson, who received a copy of the letter, has advised that the motion, as articulated by the board did not accurately reflect the OPSBA position on one publicly funded system. That is, OPSBA supports one publicly funded system of education for each of Canada's official languages. The board will revisit this topic at an upcoming meeting in order to amend Resolution 120/07.
