<i>Policy Name</i>	NAMING OF EDUCATIONAL FACILITIES	414
<i>Board Approved: August 26, 2024</i>		<i>Review Prior To: December 2029</i>
<i>January 22, 2019</i>		

It is the policy of the Superior-Greenstone District School Board that Board owned facilities be named and that the naming of the facilities shall be the sole responsibility of the Board.

The naming of special areas within schools, board office building(s) and other board-owned facilities provide an opportunity to recognize contributions to education of individuals associated with this jurisdiction and its heritage, contributions of individuals to society and/or geographical features in the Superior-Greenstone District School Board's jurisdiction.

- 1.0** Anyone may submit a name relative to a board facility or special area within a facility to the Superior-Greenstone District School Board c/o the Director of Education or designate.
- 2.0** The submission of a name should be accompanied by a written presentation outlining the merits of the recommendation.
- 3.0** When names are to be selected for a facility or other facilities, the Board Chair shall, with the approval of the Board, establish a committee. The committee should be composed of:

Director of Education or designate;

One representative from the staff (E) and one representative from the community.

- 6.0** The final decision in each case, with respect to the naming of a facility, shall rest with the Board.
- 7.0** Once the Board has made a determination relative to the naming of the facility, the Director of Education or designate shall facilitate a proper occasion for the designation of the name.
