

**SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD**

Special Board ReDC 0 Tc0eDC t Noat has oc  
 our school district since 2007. As are are, enrolment started to decline prior to this date and declines are directly linked to a reduction in the secondary staffing complement.

Base secondary staffing is calculated as per Article 14 of the Collective Agreement between the Superior Greenstone District School Board and the Ontario Secondary School Teachers' Federation. The staff is based on the average of the two count dates, October 31, and March 31, of the respective years divided by 16. This generates the Classroom Teacher line of the table shown below in [Table 2, Part B](#).

A consultation process has taken place between the Principals and Superintendent of Education regarding projected staffing needs. The Principals understand that staffing their schools for 2013–2014 will be done according to Article 14 of the Collective Agreement, Special Initiatives and Board enhancements.

[Table 2, Part B](#) outlines additional staffing over and above that prescribed in the collective agreement. These additional sections will ensure core programs are being offered to accommodate the needs of our students across our Board and continue to keep our commitment to the three core priorities of the Ministry of Education; increased levels of student achievement, reducing the gap in student achievement and increased public confidence.
