**SUPERIOR-GREENSTONE DISTRICT SCHOOL BOARD**

**Special Board Report No: 05**

**Date: June 27, 2013**

**TO:** Chair and Members of the  
Superior-Greenstone District School Board

**FROM:** David Tamblyn, Director of Education

**SUBJECT:** Educational Assistant Staffing 2013-2014

**STRATEGIC  
PRIORITY:** Student Achievement and Well Being

---

**Background**

Special Education resources including Special Education Resource Teachers, Educational Assistants, learning assessments and the special equipment purchases (Special Equipment Amount) continue to support students with special needs. In addition, Superior-Greenstone District School Board uses additional initiatives including Applied Behaviour Analysis, Autism Support, Safe Schools and other training opportunities to support students in our schools. Beginning in September a Mental Health Lead and a Mental Health and Addictions Nurse we be added to our team of personnel supporting students.

**Current Situation**

Declining enrolment continues to impact many areas of the budget including the Special Education Per Pupil Amount (SEPPA); however, Superior-Greenstone District School Board continues to fund the special education program above the amount allocated by the Ministry of Education through the SEPPA, the Special Equipment Amount (SEA) and the High Needs Amount.

Currently 53.5 Education Assistants (EAs) support students in our schools, 47.0 base staffing and 6.5 EAs funded through First Nation Community tuition agreements.

It is recommended that for 2013-2014, 47.0 EAs be funding through the Special Education Program. At this time, we do not have confirmation of the number of EAs that will be funded through First Nation tuition agreements.

The following chart outlines the proposed Education Assistant staffing for the 2013 – 2014 school year.

2012– 2013	2013 – 2014.
